IMPORTANT! PLEASE READ: Any person(s) involved in the offering of, or the soliciting for, a Completion Certificate for school attendance in which the person receiving the certificate does not attend, or does not complete the minimum required time of classroom instruction may be found guilty of violating Section 134 of the Penal Code, a felony. All classes must be comprised of 340 minutes of instruction, excluding time for registration, breaks and lunch. It is illegal for a traffic violator instructor to intentionally cut instruction time short.

COURT: A court may refer you to a traffic violator school at any time. However, California Vehicle Code Section 1808.7 mandates that only one citation in an eighteen (18) month period be masked from public view on your driving record. The eighteen (18) month period is calculated from citation/violation date, not class attendance date. If a driver attends TVS and is not eligible to have a violation designated as a confidential conviction, DMV

will report the violation on the driver's record.

The Court allows you 90 days to complete traffic school. If you do not complete traffic school by the date indicated the violation will be reported to DMV. The Court will not grant an extension of time to complete traffic school.

Unless otherwise instructed by the court, you may attend any school listed in any area.

Benefits of Attending Traffic Violator School: If you are eligible and decide not to attend traffic school your automobile insurance may be adversely affected.

After your proof of completion is submitted to the court by the traffic school, you can check the status of your completion certificate at www.courtcertservice.com
